PREFACE.

We present to our patrons our first Directory of Indianapolis, hoping that it will meet with their approval.

A thorough canvass of the City has been made, and every effort used to obtain the name of every person who should be represented in a City Directory. Mistakes will occur, but we are confident that no more thorough and systematic canvass of the City has ever been made.

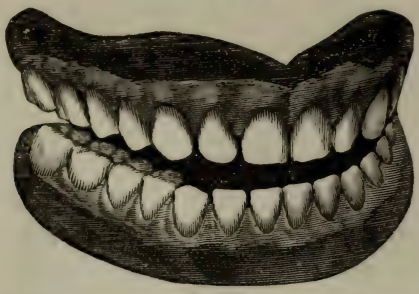
The classified Business Directory is a complete mirror of the business interests of the city. The Miscellaneous Department furnishes a large amount of information useful to strangers.

Our thanks are due to our numerous patrons for a liberal support.

THE PUBLISHER.

INDIANAPOLIS

STEAM DENTISTRY,



NO. 20 CIRCLE STREET.

$10 ONLY

FOR AN UPPER OR LOWER SET OF TEETH

Of the best quality and Superior Workmanship, on the best of Rubber.

PARTIAL SETS AT CORRESPONDINGLY LOW PRICES.

The utility and beauty of Artificial Teeth, depends upon their being properly constructed and correctly applied. One or two teeth badly arranged will destroy the adjoining ones, and frequently involve a whole set in destruction. The improved process of constructing a set of Artificial Teeth, in from four to six hours, and only one visit, (thus accommodating persons from the country who are here on expense,) belongs to the practical experience of the

OHIO STEAM DENTAL COMPANY.

By request from many of the patrons from Indianapolis to our Cincinnati Office, we have leased and fitted up a complete Office and Laboratory, with all the late improvements in the art of Dentistry.

Fifty Cents for Extracting one Tooth, without pain, by the use of Pure Nitrous Oxide Gas. One Dollar and upwards for Gold Fillings.

All work Warranted satisfactory at the

Indianapolis Branch of the Ohio Steam Dental Company.

Office and Residence, No. 20 Circle St., one door west of the Sentinel Building.
